ARTICLE 15

GRIEVANCE PROCEDURE

Section 1: It is the intent and purpose of the parties of this Agreement that all grievances shall be settled at the lowest step possible pursuant to the grievance procedure specified herein.

Section 2: It is understood by the parties that any employee shall have the right to have an OPBA representative of his own choosing present at all steps of this procedure.

Section 3: Nomenclature

Grievance - A "grievance" shall be defined as a dispute or controversy arising as a result of the misinterpretation, misapplication or misuse of the specific and express written provisions of this Agreement.

Grievant - The "grievant" shall be defined as any employee or group of employees allegedly harmed as a result of a violation of this Agreement.

Day - A "day" as used in this procedure shall mean calendar days, excluding Saturdays, Sundays and Holidays as provided in this Agreement.

If a grievance affects a group of employees, it may be submitted at Step 3 of this procedure.

Section 4: Time Off. Grievants may be given a reasonable time to consult with OPBA representatives during working hours, relative to a grievance matter, after first notifying his or her immediate supervisor of such desire, without loss of pay or other benefits. The grievant need not reveal to his or her supervisor the nature of the potential grievance matter. The grievant's supervisor will permit a meeting to take place as soon as possible for the employee with the OPBA representative. Grievants and OPBA representatives will be permitted a reasonable amount of time to investigate and process grievance matters during their scheduled hours of employment; however, such visitation rights cannot interfere with the work requirements of any employee or disrupt department operations. The investigative and processing time will not be abused by the member, the OPBA, or by the employer or its representatives. In a grievance matter joined in by more than one (1) bargaining unit employee, only one (1) of those bargaining unit employees shall participate in the investigative and processing steps provided by this Article, while on duty.

A Union representative chosen by the grievant to attend meetings and the OPBA representative shall be allowed time off from regular duties with pay for attendance at scheduled meetings under the grievance procedure, with prior approval of their respective supervisors. OPBA representatives shall be allowed adequate time, as approved by the supervisor, off the job with pay to conduct a proper investigation of each grievance. Such approval will not be unreasonably withheld, and the withholding of such approvals shall result in an automatic equivalent extension of time limits, within which a grievant must appeal his grievance or have it heard. Grievants shall not receive overtime pay to engage in grievance activities provided for herein; however, grievance meetings at Step 2 shall be held during the grievant's working hours.

Section 5: Time Limits. It is the OPBA's and the City's intention that all time limits in the above grievance procedures shall be met. To the end of encouraging thoughtful responses at each step, however, the grievant and City's designated representative may mutually agree at any step to short extensions of any of the time limits imposed herein, but any such agreement must be in writing and signed by the parties. In the event that the City fails to timely file a response to a step in the grievance, it is mutually agreed that the grievance is deemed denied and shall automatically proceed to the next step.

Section 6: All grievances filed pursuant to this procedure shall be subject to the following:

Step 1: Any employee who believes he may have a legitimate grievance resulting from the misapplication, misinterpretation or misuse of this agreement shall notify his/her immediate supervisor of said grievance within fifteen (15) days of the date of the occurrence or within ten (10) days of the date the employee gains knowledge of the occurrence of said grievance. The supervisor will schedule an informal meeting with the employee and his OPBA representative within five (5) days from the date the supervisor is informed of the grievance, at which time the issue in dispute will be discussed with objective of resolving the matter informally. Following this meeting, the supervisor shall have five (5) days to respond.

Step 2: If the grievance is not satisfactorily resolved at the Informal Step (Step 1), the grievance shall be reduced to writing and presented to Step 2 within ten (10) days from the date of the Step 1 meeting. The Police Chief or his/her designee will schedule a meeting with the employee and his OPBA representative and any witnesses within ten (10) days from the date the grievance is submitted. The Police Chief or his/her designee shall respond in writing to the grievant and the OPBA representative within ten (10) days from the date of the Step 2 meeting.

Step 3: If the grievant is not satisfied with the written decision at Step 2, he/she may appeal the decision to Step 3 within ten (10) days from the date of receipt of the Step 2 decision. Copies of the written Step 2 decision shall be submitted to Step 3 with the grievance. The Safety-Service Director or his/her designee shall convene a meeting within ten (10) days of receipt of the grievance at Step 3. The hearing will be held with the grievant, his OPBA representative and any necessary witnesses in attendance. The Safety Service Director or his designee shall issue a written decision to the grievant and his/her OPBA representative within fifteen (15) days from the date the Step 3 hearing was held.

If the OPBA is not satisfied with the decision rendered at Step 3, it may proceed to arbitration. Within this ten (10) day period, the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, the parties will promptly request the State Employment Relations Board (SERB), Bureau of Mediation to submit a panel of arbitrators and the parties will choose one by the alternate strike method. A coin flip shall be used to decide who will choose first.

Section 7: The arbitrator shall have no power or authority to add to, subtract from, or in any manner alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself if contrary to law or violates any of the terms and conditions of this Agreement.

Section 8: The hearing or hearings shall be conducted pursuant to the SERB rules.

Section 9: The fees and expenses of the arbitrator and the cost of the hearing room, if any, will be borne by the party losing the grievance, except that in split awards or the reduction of discipline, the fees and expenses of the arbitrator shall be borne equally by the parties. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.

Section 10: An employee requested to appear at the arbitration hearing by either party shall attend without the necessity of subpoena. Any request made by either party for the attendance of witnesses shall be made in good faith, and at no time shall the number of employees in attendance exceed three (3) employees. Compensation for work hours lost to attend hearing shall be paid by the losing party.

Section 11: The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

ARTICLE 16

PROBATIONARY PERIODS

Section 1. NEW HIRE PROBATIONARY EMPLOYEES: New employees will be regarded as probationary employees until completing one hundred and twenty (120) days of actual work or nine (9) calendar months--whichever comes first--as a full-time City employee. The employee will not receive any continuous service credit during the probationary period and may be laid off or discharged as exclusively determined by the City and probationary employees shall have no appeal over such removal. Probationary employees continued beyond their probationary period shall receive full continuous service credit and seniority from date of original hiring.

It has been agreed upon between the parties that this probationary period can be extended under the following conditions:

- a) The City has determined that additional work time is needed for the employee to demonstrate his/her ability to perform the job satisfactorily.
- b) The local Union OPBA Director and the employee agree to extending the probationary period.

ARTICLE 17

SENIORITY

Section 1. Continuous seniority shall be defined as the length of continuous service with the City calculated from date of first employment or reemployment following a break in continuous service in accordance with the following provisions; provided, however, that the effective date of employment prior to the date of this agreement shall be the date of first employment or reemployment after any event which constituted a break in service under the practices in effect at the time the break occurred.

4. Failure to return to work within ten (10) calendar days of a recall from layoff;
5. Failure to return at the expiration of a leave of absence;
6. A resignation where the employee is re-employed after thirty-one (31) calendar days or more.

ARTICLE 18 - LAYOFF AND RECALL

Section 1: Whenever it becomes necessary to layoff communications coordinators because of lack of work, change in methods, lack of funds or other good cause shown, the City shall notify the affected employees in writing at least thirty (30) days in advance of the effective date of layoff. The City agrees to notify the OPBA about the layoff prior to notification of the employees.

Section 2: The least senior employee(s) within the affected job classification (Communication Coordinator) shall be placed on a recall list for a period of three (3) years. If there is a recall, Employees within the required job classification who are still on the recall list shall be recalled in the inverse order of their layoff.

Section 3: Notice of recall shall be sent to the employee(s) by registered mail, with a copy to the OPBA. The City shall be deemed to have fulfilled its obligation by mailing the recall notice by registered mail, return receipt requested, to the last mailing address of the employee.

Section 4: The recall employee shall have ten (10) calendar days following the date or the receipt of the recall notice, to notify the City of the employee's intent to return to work.

The City shall notify the OPBA of its final decision.

Section 3: This does not preclude the City from evaluating the responsibilities and duties of a job to reclassify it. No employee shall suffer any loss of compensation as a result of such a reclassification. However, if such an evaluation indicates that the position merits a lesser rate of pay, provisions shall be mutually agreed upon with the Union to negotiate and implement such rate upon the position being vacated.

Section 4: If the OPBA continues to disagree with the classification or rate of pay, the City shall establish a temporary rate of pay and classification assignment and will promptly notify the Union in writing of its intention to proceed. Thereafter, the OPBA may file a grievance at Step 3 of the grievance procedure. SERVICE CONNECTED INJURY

Section 1: **REPORTING PROCEDURE:** In the event of an injury while in the active discharge of duty, the employee shall be required to complete the following:

- A. An "INJURY REPORT" within forty-eight (48) hours of the time of injury.
- B. If time is lost, a "WORKERS' COMPENSATION CLAIM FORM", within three (3) working days of the date and time of the inception of the lost time. When filing a claim, it shall be stated that the employee has received their wages for the lost time period for a maximum of fifty-two (52) weeks.
- C. If time is lost, an "AGREEMENT TO REIMBURSE": within three (3) working days of the date of lost time.
- D. All employees who are receiving service connected injury benefits under labor contract provisions shall immediately notify the Human Resources Department of any change in his/her available residence.

To be entitled to any Workers' Compensation Wage Benefits from the City as in Section 2, the employee must have the forms completed and submitted to the Department Head within the outlined time limits. If extenuating circumstances arise because of an incapacitating injury, the injured employee's Department Head shall make every effort to have the forms submitted timely and if unable to do so the time limits may be extended. Failure to have the forms timely filed shall relieve the City from paying any Workers' Compensation Wage Benefits (Section 2) to the employee for such injury. The employee shall then be entitled to any benefits the Bureau of Workers' Compensation may allow.

Section 2: **PAYMENT OF WORKERS' COMPENSATION WAGE BENEFIT:** In the event of an injury while in the active discharge of duty and after completing the forms as stated in Section 1., the employee shall be paid Workers' Compensation Wage Benefits from the City instead of Temporary Total Benefits from the Bureau of Workers' Compensation only when the employee obtains medical treatment from the City's Health Partnership Managed Care Organization, as follows:

- A. For the lost time in which medical certification has been submitted within three (3) working days of injury stating the need for the employee to be off work and the period of time the employee shall remain off work.
- B. For the lost time up to fifty-two (52) weeks, the total wages the employee will receive shall be their gross pay less their normal federal, state and city income taxes. This pay shall be non-taxable. If the Internal Revenue Service in the future deems these wages to be taxable, the City shall pay the employee his/her gross pay.

- C. For the lost time exceeding fifty-two (52) weeks, the employee shall be placed on Workers' Compensation leave of absence and pursue temporary total benefits from the Bureau of Workers' Compensation.
- D. During the lost time due to injury for which the employee is receiving pay from the City, the employee shall not suffer any loss of fringe benefits (except the accumulation of sick leave) or compensation under the terms and conditions of this Contract. For this period of time, the City will also continue to make the deductions (excluding taxes) from the employee's pay which were made prior to the injury.
- E. Any employee receiving Workers' Compensation Wage Benefits shall be handled as a day turn employee.

Section 3. **BUREAU DETERMINATION PROCEDURE:** Any employee who is paid as specified in Section 2., shall abide by the following procedure:

- A. If the Bureau of Workers' Compensation allows the claim, the wages paid for such claim shall be approved.
- B. If the Bureau of Workers' Compensation disallows the claim, the wages paid for the lost time period shall be recovered from the employee in such order as follows:
 1. Reduction of Sick Leave Balance
 2. Reduction of Vacation Balance
 3. Payroll Deduction

Section 4. **CITY'S SHARE OF PENSION:** The city shall pay the employer's share of pension payments for the time lost while the employee is receiving pay from the City to assure that such time is credited as service time.

Section 5: **SENIORITY:** Bargaining unit employees shall continue to accumulate seniority while on work related injury leave.

Section 6. **LIGHT DUTY:** The City shall make every possible attempt to find alternate work assignments for employees on injury leave who may be able to perform lighter duties.

Section 7. **PHYSICAL EXAMINATIONS:** The City at its discretion, may require an employee who is receiving service connected injury benefits, to submit to a physical examination conducted by a facility approved to make a functional capacity evaluation.

This examination will be arranged and paid for by the City of Warren and notification by the City shall not be less than three (3) working days before the scheduled examination.

The employee shall sign a release of medical information form allowing the facility to release the results of the physical examination to the City and the Union.

The purpose of the examination is to determine if the employee should remain on injury leave or return to work in either his/her regular job or light duty work.

If it is determined by the facility and verified by the prescribing physician that an employee is capable of returning to his/her regular or special assigned duties and the employee fails to report to work as scheduled, the employee will no longer be eligible to receive pay benefits under the service connected injury leave contractual provisions.

The employee who has not returned to work and is not eligible to receive continued service connected injury benefits may elect to try to receive temporary total benefits from the State of Ohio. However, the City may elect to appeal such action using the documentation received from the facility.

If it is determined that an employee can return to work, the employee will be scheduled by the City to return to work four (4) work days from the posting date of the certified written notice. Failure to report to work as scheduled will result in the loss of service connected injury benefits as set forth in the labor contract.

AGREEMENT TO REIMBURSE

The purpose of this agreement is to insure that any Workers' Compensation Wage Benefits paid by the City in advance of a claim determination by the Ohio Bureau of Workers' Compensation are automatically repayable to the City if the claim is disallowed by the Bureau.

I, _____, hereby agree to reimburse the City of Warren for any amounts which I may receive per the provisions of the Workers' Compensation Wage Benefits as set forth in the Labor contract and which commenced on _____ and to which I would not be entitled in the event that the Ohio Bureau of Workers' Compensation disallows the claim.

Under such circumstances, repayment of the monies received will be made in the following manner:

1. Reduction of sick leave credit hours.
2. Reduction of vacation credit hours.

If sufficient sick leave and vacation credit hours do not exist to fully recover the paid Workers' Compensation Wage Benefits, I hereby authorize the City of Warren to deduct a reasonable amount not to exceed fifty dollars (\$50.00) per pay from my earnings until the required amount is fully reimbursed.

EXHIBIT B
MEMORANDUM OF UNDERSTANDING
Part-Time Dispatchers

Per Article 17, Section 2, the Union hereby agrees that the Employer may implement the use of part-time Employees. The Employer's use of part-time employees may be used to fill vacant shifts as provided in Section 2 of the Collective Bargaining Agreement; however, it is the parties' intent that the Employer's use of part-time employees should not be used to replace or supplant the current work schedule or staffing of full-time Communication Coordinators (currently 11 full-time Employees).

Article 17 is not intended to limit or otherwise reduce the Employer's management rights to determine the size of the workforce or manage the effective operation of the department. The Union's agreement to implement part-time employees is intended to relieve the current Communication Coordinators of additional work hours and also to provide financial relief to the Employer as a result of the loss of the twelfth Communication Coordinator. In the event a full-time Employee leaves employment with the Employer that results in the bargaining unit falling below eleven (11), the Employer shall attempt to replace said position within the bargaining unit as soon as reasonably practicable. The Employer shall not add additional part-time employees during the period of the full-time vacancy or a reduction in the compliment of full-time Employees unless mutually agreed to by the Union.

The Union acknowledges that part-time employees may be used to work additional regular hours at the City's sole discretion. However, in the event the Employer's use of part-time employees creates a substantial increase in the shift manning above the current levels, The Union may utilize Section E to discuss the feasibility of adding additional full-time Employees. The Union may implement the grievance procedure to determine whether the parties' intent under Article 17 has been violated.
