- E. To determine when a job vacancy exists, the duties to be included in all job classifications, and reasonable standards of quality and performance to be maintained.
- F. To determine the necessity to schedule overtime and the amount required thereof;
- G. To determine and implement necessary actions in emergency situations;
- H. To maintain the efficiency of governmental operations.
- I. To exercise complete control and discretion over the Employer's organization and the technology of performing the work performed; and,

ARTICLE 3 - UNION RIGHTS AND REPRESENTATION

Section 1.

Non-employee representatives of the Union shall have the right to enter the facilities of the Employer and visit with the employees covered by this agreement for the purpose of ascertaining whether the agreement is being observed by the parties and for the purpose of investigating and processing grievances in accordance with the Grievance Procedure contained herein. Union representatives shall notify the Health Commissioner in advance before entering the premises of the Employer.

The non-employee union representative must have permission from the Commissioner or his designee, however, such permission shall not be unreasonably denied.

Section 2.

The Employer recognizes the right of the Union to select local officers, stewards and alternate stewards to represent the employees on grievances arising under the agreement.

Union representatives will also represent employees at pre-disciplinary hearings, grievance and arbitration hearings, labor management meetings and contract negotiations. The affected employee and union representative shall not suffer any loss of pay for activities conducted during their normal working hours and under the same standards as set forth in Article 7, Section 5.

Section 3.

The Union shall provide the Employer an official roster of its local officers, committee representatives, assigned Union representatives and stewards, which is to be kept current at all times by the Union and shall include the name, position held, jurisdiction area (for stewards only), and the work address and phone number of non-employee representatives.

Section 4.

The Union agrees that no representative of the Union, either employee or non-employee shall interfere with, interrupt or disrupt the normal work duties of employees.

Section 5.

The Employer agrees to provide the Union, upon reasonable request, the County of Mahoning, General Health District, Cash Basis, Annual Financial Report.

ARTICLE 4 - PLEDGE AGAINST DISCRIMINATION AND COERCION

Section 1.

Neither the Employer nor the Union shall discriminate against any bargaining unit employee on the basis of age, sex, race, color, creed, sexual orientation, or national origin. The Union shall share equally with the Employer the responsibility for applying this Article of the Agreement.

Section 2.

All references to employees in this Agreement designate both sexes, and wherever the male gender is used it shall be construed to include male and female employees

Section 3.

The Employer agrees not to interfere with the rights of bargaining unit employees to become members of the Union, and the Employer shall not discriminate, interfere with, restrain or coerce any employee because of Union membership or because of any legal employee activity in an official capacity on behalf of the Union, as long as that activity does not conflict with the terms of this Agreement.

Section 4.

The Union agrees not to interfere with the rights of employees to refrain or resign from membership in the Union and the Union shall not discriminate, interfere with, restrain, or coerce any employee exercising the right to abstain from membership in the Union or involvement in Union activities.

Section 5.

The Union and the Employer mutually agree to comply with the Americans With Disabilities Act (ADA) to the extent that it applies to them. An employee, upon request, shall be provided union representation in processing any request under the ADA.

Section 6.

The Union and the Employer agree that sexual harassment in the workplace will not be tolerated or condoned in any manner. Employees who believe they have been subject to sexual harassment are required to follow the internal complaint process set forth in the Employer's policies prior to filing a grievance under this section.

Section 7.

The Employer agrees to treat all employees in a fair and equal manner.

ARTICLE 5 - DUES DEDUCTION/FAIR SHARE

Section 1.

The Employer agrees to deduct regular Union membership dues, initiation fees and assessments, from the pay of any employee in the bargaining unit eligible for such deduction upon receiving written authorization signed individually and voluntarily by the employee. The signed payroll deduction form must be presented to the Employer by the employee. Upon receipt of the proper authorization, the Employer will deduct Union dues from the payroll check for the next pay period in which dues are normally deducted following the pay period in which the authorization was received by the Employer.

Section 2.

All bargaining unit members who are not members of the Union shall pay a fair share fee to the Union. All employees hired after the date of this Agreement, who do not become members of the Union, shall pay a fair share fee, effective sixty (60) days from the date of hire, as a condition of employment. The deduction of the fair share fee from any earnings of the employee shall be automatic and require no written authorization for payroll deduction, such deduction will be made in the same manner as union deductions.

Section 3.

All deductions provided for in this Article, accompanied by an alphabetical list of all employees for whom deductions have been made, shall be transmitted to the Controller of AFSCME Ohio Council 8 no later than the tenth (10th) day following the end of the pay period in which the deduction is made.

Section 4.

The parties agree that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of Union dues. The Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings arising from deductions made by the Employer pursuant to this Article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 5.

The Employer shall be relieved from making such individual "check-off" deductions upon an employee's: (1) termination of employment; (2) transfer to a job other than one covered by the bargaining unit; (3) layoff from work; (4) an unpaid leave of absence; (5) written revocation of the check-off authorization; or (6) resignation by the employee from the Union.

ARTICLE 5 - DUES DEDUCTION/FAIR SHARE (continued)

Section 6.

The Employer shall not be obligated to make dues deductions from any employee who shall have failed to receive sufficient wages to make all legally required deductions in addition to the deduction of Union dues. In such event the employer shall make up to a double deduction from subsequent pays until the full amount of the arrearage is paid.

Section 7.

The rate at which dues or fair share fees are to be deducted shall be certified to the Health Commissioner by the Treasurer of the Union during January of each year. One (1) month advance notice must be given the Health Commissioner prior to making any changes in an individual's dues deductions.

ARTICLE 6 - NO STRIKES OR LOCKOUTS

Section 1.

In consideration of the Employer's commitment as set forth in Section 2 of this Article, the Union, its officers, agents, representatives, stewards, and members, and all other employees shall not, in any way, directly or indirectly, instigate, lead, engage in, authorize, cause, assist, encourage, participate in, ratify, or condone any strike, sympathy strike, concerted sick leave, concerted slowdown or work stoppage. It is understood and agreed that any employee who engages in conduct prohibited by Section 1 is subject to disciplinary action.

Section 2.

In consideration of the Union's commitment as set forth in Section 1 above, the Employer shall not lock out employees.

Section 3.

Nothing in this Agreement shall be construed to limit or abridge the Employer's right to seek other available remedies provided by law to deal with any violation of this Article.

ARTICLE 7 - DISCIPLINE AND DISCHARGE

Section 1.

The Employer agrees that all disciplinary procedures shall be carried out in private and businesslike manner. However, a violation of this Section shall not be grounds for overturning any discipline issued.

Section 2.

Records for discipline shall cease to have force and effect or be considered in future discipline matters twelve (12) months after their effective date.

Section 3.

It is mutually understood and agreed that no employee shall be reprimanded, suspended or discharged except for just cause. Except in cases of serious misconduct, all discipline shall be applied in a corrective, progressive and uniform manner.

Section 4.

A copy of all disciplinary action shall be given to the Local Union President.

Section 5.

In the event that a bargaining unit employee is to receive a pre-disciplinary hearing, the local Union President and/or his designee is permitted to be in attendance at such meeting. Attendance of the Union President and/or his designee shall be at no loss of scheduled pay. For example, if the President was to attend a pre-disciplinary hearing that began at 1:00 p.m. and ended at 9:00 p.m. and the President's scheduled shift ended at 5:00 p.m., then he would receive four (4) hours of pay but no overtime.

Section 6. Suspension or Discharge Procedure.

Whenever the Health Commissioner, or his/her designee, determines that an employee may be disciplined for just cause by suspension or discharge, a pre-disciplinary conference will be scheduled to give the employee an opportunity to offer an explanation for the alleged misconduct.

When an employee's behavior requires immediate removal from the premises, the Health Commissioner may suspend the employee with pay for the remainder of the workday. The employee must report to work the next workday, or at a time established by the Health Commissioner.

Pre-disciplinary conferences will be conducted by a hearing officer who will be selected by the Health Commissioner, or his designee, from those supervisors not directly in the chain of command of the employee. The hearing officer may also be an impartial outsider who has no direct interest in the issue at hand.

Not less than forty-eight (48) hours prior to the scheduled starting time of the conference, the Health Commissioner will provide to the employee a written outline of the charges which may be the basis for disciplinary action. The employee must choose to: (1) appear at the conference to present an oral or written statement in his defense; (2) appear at the conference and have a chosen representative present an oral or written statement in defense of the employee; or (3) elect in writing to waive the opportunity to have a pre-disciplinary conference. No more than two (2) representatives of the collective bargaining unit, in addition to the charged member, are permitted to attend the pre-disciplinary conference in accordance with Article 7, Section 5 of the collective bargaining agreement and reasonable effort will be made to schedule the matter to accommodate the representative.

At the pre-disciplinary conference, the hearing officer will ask the employee or his representative to respond to the allegations of misconduct which were outlined to the employee. Failure to respond or respond truthfully may result in further disciplinary action.

At the conference the employee or his representative and the employer may present any testimony, witnesses, or documents which explain whether or not the alleged misconduct occurred. The employee shall provide a list of witnesses to the hearing officer as far in advance possible, but not later than one (1) hour prior to the conference. It is the employee's responsibility to notify witnesses that their attendance is desired.

The employee and/or his representative and the employer will be permitted to question witnesses. A written report to the Health Commissioner will be prepared by the hearing officer concluding as to whether or not the alleged misconduct did occur. A copy of the hearing officer's report will be provided to the employee.

The Health Commissioner will recommend appropriate disciplinary action, if any, to the Board of Health. The Board of Health shall determine appropriate disciplinary action.

Section 7.

It is expressly understood by the parties, barring any extenuating circumstances, no discipline shall be imposed on any employee after thirty (30) working days of the Employer's having conclusive proof establishing that the misconduct giving rise to the discipline occurred by a specific employee. Nothing in this section shall limit the Employer's right to discipline an employee for an ongoing or continuing violation to the extent that the discipline imposed is limited to conduct within the period of the prior thirty (30) days. This provision may be waived by mutual agreement of the parties. Discipline must commence within ten working days of any final decision resulting from a pre-disciplinary hearing.

ARTICLE 8 - GRIEVANCE PROCEDURE

Section 1 - Definition of Grievance.

A grievance is an allegation by an employee that the Employer has violated any provision of this Agreement.

Section 2 - Procedural Steps.

It is mutually understood that the prompt presentation, answering and adjustment of grievances is desirous to promoting sound relations between the Union and the Employer. It is the mutual desire of the Employer and the Union to provide for the prompt adjustment of grievances. In furtherance of this objective, the following procedure for the processing of grievances shall be followed:

In this article "days" whether identified as calendar days or otherwise shall be defined as working days excluding Saturdays, Sundays and holidays.

Step One:

If the alleged violation is not resolved by discussion between the employee and his immediate supervisor, the Union representative must submit the alleged grievance in writing to the immediate supervisor not later than ten (10) days after the event giving rise to the grievance or ten (10) days of when the employee should have known of the event giving rise to the alleged grievance. The grievance shall be submitted on a completed grievance form, a copy of which is attached to the Agreement (see Appendix A); and be signed by the grievant. The immediate supervisor, or his designee, shall meet with the grievant and his steward, and respond to the grievant in writing no later than seven (7) days after the grievance is submitted. Any grievance resolutions reached at Step 1 shall be on a non-precedence setting basis and not binding on the parties in future matters.

Step Two:

If the grievance is not settled at Step One, the grievant, not later than five (5) days after receipt of the immediate supervisor's written answer at Step One, may file a written appeal of that answer to the Health Commissioner. Not later than ten (10) days after receipt of the written appeal, the Health Commissioner, or his designee, shall meet with the employee, the employee's immediate supervisor, the employee's steward, the Union President, and the Union Staff Representative. The Health Commissioner, or his designee, shall give his answer to the Local Union President within ten (10) days after such meeting.

A Policy grievance which affects all or a substantial number of members may be presented initially by the Union at Step two of the grievance procedure.

Any grievance concerning disciplinary action that involves a suspension of three (3) days or more, or discharge may be appealed directly to Step two of the grievance procedure. The Union shall reduce such grievance to writing and file it with the Health Commissioner or his/her representative within five (5) calendar days after the notice of suspension or discharge.

Section 3:

The time limits set forth in this Article are of the essence of this Agreement. No grievance shall be accepted by the Employer unless it is submitted or appealed within the time limits set forth in Section 2 above. If the grievance is not timely submitted at Step 1 it shall be deemed waived. If the grievance is not timely appealed to Step Two, it shall be deemed to have been settled in accordance with the Employer's Step One answer. Any grievance not answered by the Employer within the stipulated time limits may be advanced by the Union and/or the employee to the next step in the grievance procedure. However, should the Employer fail to provide timely answers to two grievances in a six-month period, failure to provide subsequent timely answers in that six-month period shall result in the relief requested being granted; provided that such result shall be without precedent. All time limits on grievances may be extended upon written mutual consent of the parties; provided the party seeking an extension submits a written request prior to the expiration of the time limit.

Section 4 - Mediation Step:

The Union or the Employer may initiate mediation of a grievance by giving written notice to the other party within seven (7) days of the receipt of the Step 2 decision. Upon receipt of written notice pursuant to this step, the time limits for the grievance procedure shall be suspended until (1) mediation is concluded; or (2) either party rejects or rescinds, in writing, its participation in mediation, whichever occurs first.

Section 5 - Arbitration:

Any grievance, as defined above, that has been properly and timely processed through the grievance procedure set forth above, and that has not been settled at the conclusion thereof, may be appealed to arbitration by the Union serving the Employer and FMCS with written notice of its intent to appeal. The failure to appeal a grievance to arbitration within thirty (30) days after receipt of the written answer of the Employer at Step Two of the grievance procedure shall constitute a waiver of the Union's rights to appeal to arbitration.

The Union will utilize the FMCS form for this purpose and shall

request the Federal Mediation and Conciliation Service to furnish to the Employer and the Union a list of seven (7) qualified and impartial arbitrators. Within five (5) days after receipt of that list by the Employer and the Union, the Employer and the Union shall alternately strike names from the list until only one name remains. The arbitrator whose name remains shall hear the grievance.

The jurisdiction and authority of the arbitrator and his opinion and award shall be confined exclusively to the interpretation and/or application of the provision(s) of this Agreement at issue between the Union and the Employer. He shall have no authority to add to, detract from, alter, amend, or modify any provision of this Agreement; to impose on either party a limitation or obligation not provided for in this Agreement; or to establish or alter any wage rate or wage structure. The arbitrator shall not hear or decide more than one grievance without the mutual consent of the Employer and the Union. The written award of the arbitrator on the merits of any grievance adjudicated within his jurisdiction and authority shall be final and binding on the aggrieved employee, the Union and the Employer. The fee of the arbitrator shall be shared equally by the Employer and the Union; otherwise each party shall bear its own arbitration expense.

Section 6:

All employees are entitled to Union representation at all steps of the grievance procedure. Union representative(s) and grievant(s) involved in the grievance process shall be permitted to present grievances and attend grievance hearings during work hours, without loss of pay or benefit. The writing of grievances and investigation of grievances shall be done during the employee's break periods, lunch periods or on other off duty time. Union representatives and employees involved in the grievance procedure shall obtain permission from their immediate supervisor prior to leaving their assigned work area in order to present a grievance to the employer or to attend a grievance hearing. Such permission shall not be unreasonably denied; provided that if such permission is denied, the grievance hearing will be rescheduled for a time when permission can be granted.

ARTICLE 9 - HOURS OF WORK

Section 1.

The work week shall be considered to begin at 12:01 A.M. on Sunday, and end at 11:59 P.M. the following Saturday.

Section 2.

Each employee shall be granted two paid fifteen (15) minute rest periods, which shall be scheduled at the approximate midpoints of the first and second halves of the employee's work shift. These rest periods shall be taken at a time and in a manner that does not interfere with the efficiency of the operation.

Section 3.

For purposes of this Article, the one (1) hour unpaid lunch shall not be considered time worked, but the two (2) paid breaks shall be considered time worked.

Section 4.

The basic work for full-time employees shall consist of thirty-seven and one-half (37 and 1/2) hours per week. This shall not be construed as a guarantee of any particular amount of work per day.

Section 5.

Employees shall be paid at the rate of time and half for all hours worked in excess of forty (40) per week. For purposes of this section, vacation leave, holiday leave, and personal leave used during that week shall be considered time worked. All hours worked on holidays shall be paid at time and a half. There shall be no pyramiding of overtime pay. Instead of overtime pay, compensatory leave at the rate of 1.5 per hour worked may be accrued for such hours. Employees are entitled to earn comp time if requested up to fifteen (15) hours per year. Any hours above fifteen (15) hours per year are upon mutual consent of the employee and his supervisor. Employees who have earned compensatory time and have been denied usage of such time, due to operational needs, may request pay in lieu of, for the denied compensatory time requested.

Section 6.

An employee called out to work additional hours not contiguous to another shift (so that an additional trip from home is required) shall be paid a minimum of three (3) hours pay.

Section 7.

Overtime for additional full days and/or special events shall be offered to employees on an equitable basis amongst qualified employees.

Section 8.

The current hours of operation are 8:00 A.M. to 4:30 P.M. Monday through Friday. Schedules outside of these hours exist and require management approval. The current practice of employees working outside of their normal hours being treated as compensated as additional hours (straight time if greater than 37.5 hours or overtime if greater than 40 hours) will continue. Managers will be educated on this practice. In the event the Board elects to change the current hours of operation or current practice referred to in this section, it will give the Union two weeks notice and meet and confer regarding the change.

ARTICLE 10 - PROBATIONARY PERIOD

New employees will be on probation for a period of one hundred twenty (120) calendar days for Full-time employees and one hundred eighty (180) calendar days for part-time employees, during which period the employee may be discharged at the will of the Employer. Employees promoted to a new position will be on probation with respect to the new position for a period of thirty (30) calendar days.

ARTICLE 11 - SENIORITY

Section 1.

A. Seniority shall be defined as the length of continuous service with the Employer. Bargaining unit members shall be credited with an additional year seniority on each successive anniversary date of employment. Employees on approved leaves of absence shall earn seniority during any such leave. Seniority shall be applicable only as provided in this Agreement.

B. Beginning January 1, 2004, for layoff purposes only, seniority for each bargaining unit employee shall be calculated on a full time equivalent of 1950 hours which shall be used as the denominator and the employee's compensated hours as the numerator. For 2004, the numerator shall be the hours compensated in 2003; for 2005, the numerator shall be the hours compensated in 2004, etc. However, for any year shall an employee has been compensated for more than 1950 hours, only 1950 hours shall be used in the numerator - thus an employee shall not earn more seniority than one year's seniority (1950 hours) in any base year. This section shall only apply to seniority after January 1, 2003. Any seniority earned prior to that date will not be reduced by the application of this section.

Section 2.

Employees who are reinstated within eighteen (18) months of separation from employment with the Employer shall not lose their seniority. However, no seniority shall be credited for time separated from service.

Section 3.

Seniority shall be lost, only when an employee:

1. Quits or resigns;
2. Is discharged for just and proper cause;
3. Is laid off for a period of more than eighteen (18) consecutive months;
4. Is promoted out of the bargaining unit. Should the employee elect to remain in the non-bargaining unit position subsequent to sixty (60) days of promotion then his/her seniority shall be "frozen" as of the date of promotion. An individual gone for one (1) year and one (1) day would lose all seniority.

Section 4.

The Employer shall provide the Union with a seniority list two (2) times each year, which will show the name, date of initial employment, date of last promotion and seniority date.

Such list, with the exception of social security numbers, shall be posted on the bulletin boards provided by this Agreement.

Section 5.

In the event that two or more employees have the same date of employment with the Employer, the following procedure shall be used to determine the most senior employee:

The employee Social Security Number in lowest numerical order shall prevail (i.e. 215-44-3127 prevail over 215-44-3128)

ARTICLE 12 - LAYOFF

Section 1.

In the event the Employer determines it is necessary to reduce the work force in the bargaining unit for lack of funds, lack of work, position abolishment, or any other legitimate reason(s), the following procedures for layoff shall be used.

Section 2.

The Employer shall send notice to the Union, outlining the justification for any reduction in force, along with the number and classification of affected bargaining unit members. Such statement shall be sent prior to any layoff notice.

For the purpose of this Article the terms listed in the above section 1 shall be defined as follows:

- a) "Lack of funds" means the Employer has a current or projected deficiency of funding to maintain current, or sustain projected, levels of staffing and operations.
- b) "Lack of work" means the Employer has a current or projected temporary decrease in the work load, expected to last less than one year, which requires a reduction of current or projected staffing levels. The determination of a lack of work shall indicate the current or projected temporary decrease in the work load of the Employer and whether the current or projected staffing levels will be excessive.
- c) "Abolishment" means the permanent deletion of a position or positions from the organization due to lack of continued need for the position. The determination for the need to abolish positions shall indicate the lack of continued need for the positions.

Section 3.

Employees in the following categories from within the affected job classification shall be laid off first in the order below. Prior to the layoff of any regular full time or part time employee, the Employer shall solicit volunteers for the layoff within the affected job classification.

- 1) Temporary employees;
- 2) Intermittent employees;
- 3) Seasonal employees;
- 4) Employees who have not completed their probationary period (new hires only);
- 5) Employees who have completed their probationary period.

Section 4.

The Employer shall decide which classification or classifications shall be affected, the work area and the number of layoffs which will occur in each classification. Employees shall be laid off in

inverse order of their seniority. Employees shall be given a fourteen (14) calendar days notice of layoff.

Section 5.

A laid off employee shall have the right to displace (bump) an employee with the least seniority in the classification from which the employee was laid off or in a lower or equivalent classification, in the following order:

- a) Within the classification from which the employee was laid off;
- b) Within a classification which has the same or similar duties as the classification from which employee was laid off;
- c) Within the classification held immediately prior to holding the classification from which the employee was laid off;
- d) In the next lower or successively lower classification.
- e) In the event a displaced employee has no other option (a-d above) they may, if they have the skill and ability to do the job of an existing temporary, intermittent or seasonal position, bump into that position subject to the terms and conditions of that position and maintain their bargaining unit status during this period.

Section 6.

Employees shall notify the Employer of their intention to exercise their displacement rights within five (5) calendar days after receiving notice of layoff.

Section 7.

No employee shall displace an employee for whose position or classification there exists special minimum qualifications as established by a position description, classification specifications or by a bonafide occupational qualification, unless the employee desiring to displace another employee possesses the requisite minimum qualifications for the position or classification. The bumping employee must be able to achieve a reasonable level of proficiency for the job to which he is bumping with a brief orientation.

Section 8. - Recall from Layoff

If the Employer determines to increase the work force in a job classification and work area following a layoff, employees, who have recall rights, shall be recalled to their job classifications in the reverse order of layoff before any vacancy is posted for such classification. Employees who are on layoff shall have the right to recall for a period of twelve (12) months from the effective day of layoff. Employees who have bumped into another

job classification shall have the right to recall for a period of twelve (12) months from the effective date they bumped into another job classification. Any employee offered a recall to a lesser status (status defined as full-time and part-time) than what they were laid off from, will not lose their recall rights by declining the recall to a lesser status.

The Employer will forward notice of recall by personal service or certified mail to the last known address of the employee reflected on Employer records. The employee must, within fourteen (14) calendar days of delivery or attempted delivery of the notice of recall, notify the Employer of his intent to return to work on the date specified for recall and, thereafter, return to work on such day. The employer will also use "proof of mailing" as an additional step to secure notice of recall in the event certified mail is returned.

Section 9. - Automatic Recall

In the event of a layoff, should a classification laid off have a period of six (6) weeks or more where the remaining employees in the classification work at a full-time equivalent level as existed prior to the layoff, the Employer shall be required to initiate a recall for the classification involved.

ARTICLE 29 - BARGAINING UNIT WORK

Section 1.

The Employer hereby agrees that work normally done by bargaining unit employees shall not be contracted out so as to result in the displacement of any bargaining unit employees.

Section 2.

Management shall not routinely perform bargaining unit work on an ongoing basis. No AFSCME represented position shall be eliminated, have its hours reduced, or be otherwise reduced in pay as a result of any welfare to work initiatives.

Section 3.

The Employer agrees to meet and confer with the Union and the employees in the affected departments to receive input on how to staff a specific grant (i.e. with unit staff or contracted service) when new grants are received or existing grants are extended.

Any employee within the bargaining unit, who is temporarily assigned to duties of a bargaining unit position with a higher pay range than is the employee's own, shall be paid the higher classification with their current years of service for all hours so assigned after the completion of four (4) hours in the assignment, and retroactive to the time the assignment began and for the duration of the assignment.

Should employees be required to perform the duties of a lower rated classification, they shall receive the regular rate of pay of their regular classification.

Temporary vacancies, within the bargaining unit, shall be filled on the basis of seniority, within the affected classification.

Section 2.

Should the Employer determine to fill a supervisory position, on a temporary basis, with a bargaining unit member, the bargaining unit member, provided he is assigned for more than one work day, shall be compensated in the following manner: Paid in an hourly rate consistent with the minimum range for the management position involved but in no case less than two dollars (\$2.00) per hour over their current rate.

The duration of such temporary supervisory position will not exceed one hundred eighty (180) days in the case of a medical leave of absence creating the temporary management need or ninety (90) days otherwise. Any extension beyond these time frames shall require mutual agreement of the parties. In the event an employee is assigned this assignment against their wishes they will only be required to fill the assignment for a period of time not to exceed thirty (30) days.

No defamatory, obscene or politically partisan materials shall be placed on, or permitted to remain on such bulletin board(s).

ARTICLE 32 - PERSONNEL POLICIES

Section 1.

The Employer has the right to promulgate reasonable rules, regulations and procedures in the form of personnel policy.

Section 2.

Every bargaining unit employee shall receive a copy of the "Manual of Personnel Policies for Bargaining Unit Employees." The Union shall be notified of any written changes in that manual at least ten (10) working days before they become effective, unless the change is required by law or regulation to be made immediately. The Union may request a special labor management meeting for the purpose of discussing any such changes with management.

Section 3.

Section 2.

Section 3.

Employees who are out in the field when the department closes due to inclement weather shall also be excused from work for the remainder of the day.

LETTER OF AGREEMENT
AFSCME LOCAL 3759
MAHONING COUNTY DISTRICT BOARD OF HEALTH

The parties agree to the following regarding bargaining unit work:

- Managers will be re-educated on the contractual standards prohibiting managers from "routinely performing bargaining unit work on an ongoing basis".
- Part-time employees will be solicited to cover long term leaves of absence or, when reasonable, such positions should be temporarily filled.
- Staff will be solicited to inquire about their interest in being available for extra hours within their job classification.
- Managers will not schedule themselves into the bargaining unit schedule to cover openings. It is recognized that the lab has a unique requirement for the manager to do some bargaining unit work due to lab director regulations and thus the lab is recognized as different in this regard (to meet those requirements) as well as the situation of covering for vacation/leave time and urgent needs that occur in the lab.
