This matter having come before the Court on *General Motors, LLC's Motion for Relief from the Automatic Stay* (the "Motion")² filed by General Motors, LLC ("GM"); the Court having jurisdiction to consider the Motion and the relief requested therein pursuant to 28 U.S.C. §§ 157 and 1334; the Motion and the relief requested therein being a core proceeding pursuant to 28 U.S.C. § 157(b); venue of the Motion being proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; upon consideration of both the Motion submitted by GM and the Opposition to the Motion submitted by Clark-Cutler-McDermott Company and its affiliate CCM Automotive Lafayette LLC (collectively, the "Debtors"); due and proper notice of the Motion under the circumstances having been provided; it appearing that no other or further notice need be provided; after due deliberation thereon; and good and sufficient cause appearing therefor:

2. The automatic stay is hereby modified to allow GM to recover possession of the GM-owned tooling, dies, test and assembly fixtures, gauges, jigs, patterns, casting patterns, cavities, molds, and documentation, all as set forth in Schedule A hereto (collectively, the “GM Tooling”), subject, however, to the following conditions:

- (a) in taking possession of the GM Tooling, GM will use reasonable care when removing such property;
- (b) GM shall ensure that, after removing the GM Tooling, the Debtors’ premises are restored to the same condition in which GM found them prior to removing the GM Tooling;
- (c) GM shall be responsible for any damage to the Debtors’ assets caused by GM’s removal of the GM Tooling;
- (d) if GM claims an interest in any tooling that is not listed in Exhibit 1 and the Debtors dispute GM’s ownership of such tooling, this Court will hold an expedited hearing on no more than two business days’ notice, or as soon thereafter as the Court is available, to resolve such dispute;
- (e) the Debtors will provide GM, on behalf of itself and its third party contractors, access to all facilities owned or leased by Debtors or their affiliates and subsidiaries (the “Facilities”) for the purpose of removing GM Tooling for a period of seven (7) days after entry of this Order;
- (f) the Debtors will provide GM with complete access to the Facilities during the seven (7) calendar days following entry of this Order, on a 10-hour-per day basis beginning at 8:00 a.m. (ET) on July 14, 2016, or earlier if agreed to by the parties;
- (g) GM will provide, at its own cost and expense, licensed and insured third party contractors that will perform the removal in a professional and workmanlike manner and without damage to the Debtors’ Facilities, machinery, equipment or physical plant; and
- (h) the Debtors will cooperate in a supervisory role with the removal of GM Tooling from the Debtors’ machinery, equipment or other property to which it is currently attached. The Debtors will also provide additional personnel to assist GM in the removal of GM Tooling, provided that GM shall reimburse the Debtors for any costs associated with such additional staffing within seven days thereafter.

(i) Any marked with an asterisk on Schedule A shall be resolved in the manner set forth on the record at the hearing June 13, 2016.

3. The automatic stay is hereby modified to allow GM to purchase from the Debtors all Component Parts, including all Component Parts in the so-called inventory bank, all as set forth in **Schedule B** hereto (collectively, the “Finished Goods Inventory”), subject, however, to the following conditions:

- (a) prior to the removal of any Finished Goods Inventory from the Debtors’ facilities, and subject to verification of quantities and quality of the Finished Goods Inventory, GM shall pay the Debtors, by wire transfer, the sum of \$2,930,138.90 (the “Purchase Price”) consisting of:
 - (i) \$719,319.12, representing one hundred percent (100%) of the existing Purchase Order price in effect as of the Petition Date for Finished Goods Inventory which had not yet been delivered; and
 - (ii) \$2,210,819.78 in full satisfaction of amounts owed to the Debtors by GM as of the Petition Date for prior shipments of Finished Goods Inventory.
- (b) GM may inspect and verify the quantities and quality of the Finished Goods Inventory at the Debtors’ facilities during the seven (7) calendar days following entry of this Order beginning at 8:00 a.m. (ET) on July 14, 2016, or earlier if agreed to by the parties, and the Debtors will provide GM with access to their Facilities for this purpose; in the event of any dispute regarding the quantities or quality of the Finished Goods Inventory, the parties may mutually agree to adjust the payment for the Finished Goods Inventory; and
- (c) The Debtors, at their sole cost and expense, will make all Finished Goods Inventory available for pick-up at the Debtors’ facilities for a period of seven (7) calendar days after the entry of this Order by loading the Finished Goods Inventory on GM provided trucks beginning at 8:00 a.m. (ET) on July 14, 2016, provided that GM shall verify that the wire transfer of the Purchase Price has been made by providing the Debtors with a corresponding Fed Reference Number prior to removing the Finished Goods Inventory.

4. All other requests for relief in GM’s Motion are DENIED without prejudice, including GM’s request for relief from the automatic stay to pursue immediate possession of the so-called Dedicated Equipment; provided, however, GM’s and the Debtors’ respective rights and

claims relating to the Dedicated Equipment and GM's alleged exercise of its option in respect thereof are expressly preserved.

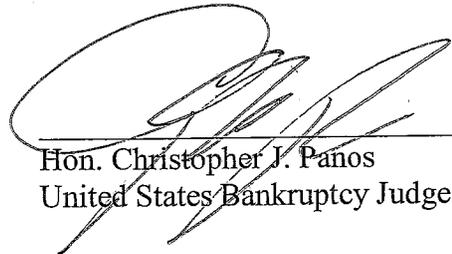

5. The Debtors and GM are authorized and empowered to take all actions necessary to implement the relief granted in paragraphs 2 and 3 of this Order.

6. Notwithstanding the relief granted in the Order and any actions taken pursuant to such relief, nothing in the Order shall create, nor is intended to create, any rights in favor of, or enhance the status of, any claim held by any person or entity.

7. Notwithstanding any applicability of any Bankruptcy Rules, the terms and conditions of the Order shall be immediately effective and enforceable upon its entry.

8. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation and enforcement of the Order.
