---

The department received a complaint from the Chair of the Youngstown Academic Distress Commission regarding the Youngstown City School District. As we discussed, the complaint made several allegations against the district and its administrator. In light of these allegations, we thought it prudent to share the complaint with the school district's counsel so that you can look into this matter.

Once the district has had an opportunity to review the allegations, we would appreciate a written response detailing the district's findings.

If you have any questions, please feel free to call.
