Re: Photo speed signage

Hubbard Township Board of Trustees:

As you may know, under Ohio Revised Code Section 5515.01, the Director of Transportation has sole discretion to permit use of ODOT rights of way and ODOT owned structures. The Director has decided to exercise that discretion to not permit placement of speed enforcement cameras or related signage in ODOT right of way or on ODOT owned structures.

On August 13, 2015, a right of way permit was issued to the Hubbard Township Police Department for installation of photo speed enforcement signs along the State Route 304 right of way. You are hereby notified that the permit has been cancelled.

You and/or the Hubbard Township Police Department are directed under Revised Code Chapter 5515 to remove any and all photo speed enforcement related signs by August 3, 2018.

Should you have any questions or need additional information, please contact me at (330) 786-4853.

Respectfully,

A handwritten signature in blue ink, appearing to read "Chris Huff".
